EXAMINER'S AMENDMENT

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with David Klein, Attorney of Record, on January 7, 2005.

The application has been amended as follows:

In the Claims:

In claim 1, line 7, "encloses" has been changed to -- enclosing --.

In claim 1, line 9, "mounted to the tapered outer periphery of the ring" has been deleted.

The change to claim 1, line 7 has been made to correct an informality therein. The change to claim 1, line 9 has been made to remove the inaccurate claim language that the fan device is mounted to the tapered outer periphery of the ring, as set forth in the previous Office action. This limitation was inadvertently not deleted from the claim.
